## ABOUT US

**EASE FARI BAODING INTERNATIONAL TRADING CO.** is specialized in automotive wire harness solution supplier. We provide materials and production tools for automotive wire harness production including: Terminal, Connector, wire seal, body clip, Rubber parts, PVC pipe, corrugated pipe, Tape; Fixture tools, Rework tools, Lean pipe and Lean Joint etc. This is our wire seal catalogue for your reference. If you didn't find what you need, feel free to contact us, we shall do our best.

### More Choices

01

We provide OEM, ODM for our customers worldwide, welcome your 2D or 3D drawings or samples or ideas for products development.

### Better Quality

02

All of our products are without reclaimed rubber which can ROHS and REACH compliant. We strictly carry out TS16949 quality management system.

03

### Faster transportation

Most of our products are in stock, If not, we have strong production capacity, will deliver within 2-5 working days.

### Stronger Sincerity

04

We attaches more importance to the high quality service at the same time to guarantee the products price, look forward to cooperating with you !
